KEY FEATURES & BENEFITS ■ MEDIUM SONIC ■

sky high laptop protection

Sonic is the bag to use when you're after sky high laptop protection plus space for whatever you need for a day on the town.

Sonic's distinct style protects your laptop and provides plenty of space for books, folders and accessories. The fixed padded section surrounds your laptop in high density padding and the roomy interior allows you to pack in everything else you need.

The use of high-end components and the thoughtful design put sonic at the top of the class in quality, style and function.

Sonic comes in a medium size and fits most 15" laptops.
